

MY FUTURE, MY CHOICES

A 1-DAY SEMINAR FOR PEOPLE WHO INTEND TO WRITE AND LIVE THEIR NEXT SUCCESS

Based on proven techniques and essential elements for creating a transition plan and managing it successfully, *My Future, My Choices* helps individuals learn to plan by developing or acquiring skills and perceptions that equip them to take charge of their lives. Whether preparing for internal job progression, external job search, or career transition, clients find this workshop invaluable for creating personal and professional results that are sustainable.

This educational experience allows participants to tailor their learning to individual circumstances, including:

- ▶ **Past, Present, Future.** Identifying competencies, interests, and goals.
- ▶ **Transition Potential.** Assessing one's fit.
- ▶ **Tool Kit.** Developing a New Beginnings strategy.
- ▶ **Setting One's Sights.** Implementing one's game plan.
- ▶ **Going For Gold.** Recognizing one's value and creating a value-exchange.

Participants walk away from this workshop with:

- ▶ An Understanding of Their "Wilson-Smith Life Profile" Results
- ▶ A Personalized Transformation and New Beginnings Plan
- ▶ A Toolkit of Valuable Resources and References

Created by the authors of *Work Miracles; Live A Difference*; and the *Live A Difference Facilitator's Guide* this session guides individuals to make every thought, word, and deed count as they create the path to their desired future.

My Future, My Choices

Is offered by the New Beginnings Project - assisting individuals in late career transition.
